ROADMAP

-
- 26th August, Saturday
8 P.M [IST]
Opening Ceremony
- 26th August, Saturday
10 P.M [IST]
Phase 1 (Hacking) Starts
- 27th August, Sunday
12 P.M [IST]
Mini Event 1
- 27th August, Sunday
8 P.M [IST]
Mini Event 2
- 28th August, Monday
10 A.M [IST]
Phase 1 (Hacking) Ends
- 30th August, Wednesday
Shortlisting Period
- 31st August, Thursday
10 A.M [IST]
Phase 2 (Offline Project Exhibition) Starts
- 31st August, Thursday
3 P.M - 5 P.M [IST]
Prize Distribution & Closing Ceremony

RULES AND GUIDELINES

Participants

Students of
Academy Of
Technology

Time Limit

26th August 10 P.M
[IST] to
28th August 10 A.M
[IST]

Additional Points

- Project Deployment is **Must**. Can use Github, Vercel app, or Netlify.
- You can choose to work on hardware technologies, but a user interface is must for presentation.

Team Formation

2-4 Members No
Restriction on
Department

Performance

The final outcome
must be functional
and should work
efficiently

THEMES DESCRIPTION

Education:

Empower the future by reimagining education through technology and innovation, fostering inclusive learning environments for all.

Health Care:

Revolutionize healthcare through cutting-edge solutions, leveraging technology to enhance medical practices, patient care, and overall well-being.

Social Impact:

Harness your creativity to drive positive societal change, crafting solutions that tackle inequality, empower communities, and amplify the voices of the marginalized.

Environment:

Address pressing environmental challenges head-on by developing sustainable and impactful innovations that promote conservation, climate action, and a greener world.

Open Innovation:

Unleash your imagination and collaborate across disciplines in an open innovation playground, where the only limit is your creativity in solving complex global issues.

TRACK DETAILS

Best use of Google Cloud

Effective integration of cloud-based technology, hosting services, cloud storages, etc.

Best Implementation of UI/UX

The UI must be responsive, eye catching and interactive.

Best Project Workflow

The participants' contributions to the project.

README file is must.

May use GitHub or similar services.

Best 'All Girls Team'

The Team must have all girl participants

Best Use of Flutter

API Integration, performance and robustness

MINI EVENTS

Mascot Design

Pre Hackathon

Stay tuned for date reveal

The event mascot designing involves creating a unique and engaging character to represent and embody the spirit of the event

Scribble

Mini Event 1

27th August, 12 P.M

Scribble is a multiplayer drawing and guessing game where players create doodles based on given prompts and try to guess each other's drawings.

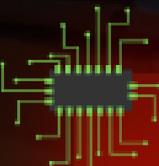

Mind-Mingle

Mini Event 2

27th August, 8 P.M

Mind-Mingle is an electrifying quiz event merging general knowledge, tech insights, and mind-bending puzzles for an exhilarating intellectual showdown.

Fandom-Feast

Mini Event 2

31st August (Offline)

A vibrant convergence of Marvel, DC, anime fans celebrating pop culture with electrifying knowledge challenges.

ARE YOU EXCITED TO BE A PART OF HISTORY!!
